

SpR Interview Eastern Deanery 03.12.03

Kind contribution of Dr Santosh Pattnayak who was successful in getting a NTN

First panel (20 minutes)

1. What do you mean by Clinical Governance? Give an example, how you practice it?
2. What is a bad audit? Given a choice, will you like to modify any of your audits?
3. Tell us about a Risk management, that you are involved with.
4. How do you counsel a pregnant mum admitted with 23+ weeks, with contractions?
5. Two-month baby referred to you by GP for irritability and rash, on examination, you found out multiple bruises on the body, how will you manage this case?
6. Recent paper, which has changed your practice.
7. Strength and weakness
8. What are the qualities of a good paediatrician?

Second panel (20 minutes)

1. Please take us through your CV.
2. How is your overseas training program different from this program?
3. Can you outline your study plan for the Research project? (I was really struggling!)
4. Give us an example of your leadership quality.
5. Have you visited any units in this Region?
6. Any question for the panel?

:: Best of Luck ::
